## Big Game Survey to Begin Over Public Lands Near Farmington

Beginning Monday, January 12, a low flying helicopter may be observed in parts of San Juan County as the Bureau of Land Management, Forest Service and state Department of Game and Fish conduct a wildlife survey.

The survey, in Game Management Unit 2, is expected to continue through Friday. Game Management Unit 2 can be generally described as the area north and east of U.S. 550 and north of U.S. 64 to the Colorado border.

The surveys are to count deer and elk. The helicopter will not be in any particular part of Unit 2 for any extended length of time.
